INTERIOR AND EXTERIOR PROTECTION

This brochure is intended to provide general information about the SurfaceCARE Limited Warranty coverage as it existed at the time the brochure was printed. Limited Warranty details may change, and availability, benefits, provider and coverage may vary by state. Please refer to your SurfaceCARE Limited Warranty for the actual terms and conditions.

Drive On with Vehicle Surface Protection.

A Ford Protect SurfaceCARE Limited Warranty helps maintain the beauty of your vehicle, providing all-encompassing protection for both the exterior and interior of your vehicle.

On the exterior of your vehicle.

This protectant uses a graphene-infused ceramic product to ensure a long-lasting and lustrous appearance to the finish of your vehicle.

On the interior of your vehicle.

For fabric, every fiber is encapsulated with interior protection products, preventing stains and simplifying clean up. For leather and vinyl, a protective layer resists stains and damage to preserve the surfaces.

Environmentally friendly.

These sealants are completely free of PFAS (per- and polyfluoroalkyl substances), which are banned in select states.

Additional Benefits:

Available in terms of 2 to 7 years

Unlimited miles

Rental car reimbursement

Transferable, for a fee
