

THE ROAD TO PEACE OF MIND.

The Ford Extended Service Plan (ESP) helps provide reassuring repair protection for Ford, Lincoln, Mercury, XR4Ti, and Scorpio cars and Ford light trucks. Ford ESP TOTAL adds to your vehicle's standard 6/60 power-train warranty, covering hundreds of additional parts and repairs.

SPECIFIC FORD ESP TOTAL COVERAGE FEATURES.

- **COMPREHENSIVE COVERAGE.** Covers virtually *all* vehicle components against defects in factory-supplied materials or workmanship. (See short list of exceptions.)
- **DEDUCTIBLE.** \$50 deductible per repair visit.
- **TOWING.** Towing reimbursement up to \$45 on covered repairs.
- **RENTAL CAR REIMBURSEMENT.** Up to \$25/day for five days if your vehicle is inoperative and must be kept overnight for a covered repair. (Luxury cars—\$30/day.)
- **SERVICE LOCATIONS.** Available at participating Ford and Lincoln-Mercury dealers in all 50 states and across Canada.
- **TRANSFERABLE COVERAGE.** Any remaining Ford ESP TOTAL coverage is transferable to a second owner for a \$30 fee when you sell your car or truck.
- **PAYMENT PLAN.** A convenient credit card payment plan is available.

CHOOSE YOUR COVERAGE LENGTH.

Ford ESP TOTAL is available in several time and mileage options. Coverage begins with the original in-service date and zero mileage. Repairs made on or before the enrollment date are not eligible for reimbursement. Match the plan to best suit your driving habits.

3 YEARS	4 YEARS
60,000 mi.	60,000 mi.
100,000 mi.	100,000 mi.
5 YEARS	6 YEARS
60,000 mi.	60,000 mi.
100,000 mi.	100,000 mi.

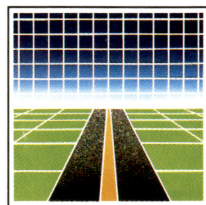

COMPONENTS NOT COVERED BY ESP TOTAL.

Instead of listing the hundreds of components that are covered by Ford ESP TOTAL, it's easier to list the few that *aren't*:

- **MECHANICAL:** battery and cables, belts and hoses, brakes (front hub, drums, shoes, lining, disc rotors and pads), exhaust system, filters, fluids, lights (bulbs, sealed beam and lenses), lubricants, manual clutch assembly, shock absorbers, spark plugs and wires, squeaks and rattles, tires, tune-ups, wheel balancing and alignment, wiper blades, coolant.
- **EXTERIOR:** outside ornamentation, adjustments (glass and body parts), bright metal, bumpers, glass, moldings, paint, rust, sheet metal, side-view mirror(s), water leaks, wheel covers and ornaments, wind noise, door handles, weatherstrips.
- **INTERIOR:** carpet, rearview mirror, trim, upholstery, dash pad, door and window handles, knobs, buttons.

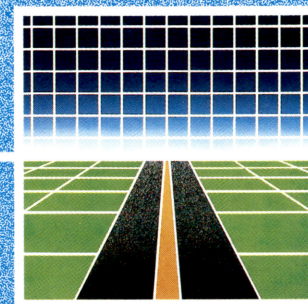

That's all. If it's not listed here, it's covered!

This brochure is intended to provide general information about Ford ESP TOTAL. Prices and plans are subject to change without notice. Plan benefits and coverage may vary by state. Complete details can be found in the plan certificate. For information about the benefits and coverage available in your state, see your local participating dealer.

Ford Parts and Service Division 

FORD EXTENDED SERVICE PLAN

TOTAL

FORD ESP TOTAL COVERAGE

ENGINE

Cylinder block
Heads
Manifolds
Valve covers
All internal lubricated parts
Ignition coil
Seals and gaskets
Gas fuel injectors, pump and lines
Fuel tank and lines
Diesel pump
Diesel injectors and lines
Factory-installed turbocharger unit
Timing gears and chain or belt
Timing chain cover
Flywheel
Starter solenoid
Oil pan and oil pump
Fuel pump
Water pump
Thermostat
Thermostat housing and gasket
Radiator
Distributor cap and rotor
Distributor housing and shaft
Harmonic balancer and bolt
Engine mounts
Hood latch and mechanism

STEERING

Power steering pump
Cooler and lines
Seals and gaskets
Control valve and cylinder
Linkages
Couplings
Steering wheel and conventional steering column lock
Manual and power steering gear housing (and all internal parts)

Over 500 covered components

29 covered components

POWERTRAIN WARRANTY

Standard manufacturer's limited warranty. Certain restrictions apply. See your dealer for a copy.
Covers 29 engine, transmission/transaxle, front-wheel driveline and rear-wheel driveline components.

\$50 deductible

\$100 deductible

BRAKES

Master cylinder
Calipers and wheel cylinders
Combination valve
All lines and fittings
Anti-lock brake module and sensor
Brake booster
Springs
Clips and retainers
Backing plates
Self adjusters
Parking brake linkage and cables

HIGH-TECH COMPONENTS

Power seat motors
Power window motors
Power antenna
Power door locks and retainer clips
Electronic instrument cluster (excluding dash pad)
Compass and thermometer readout displays
Speed control
Keyless entry system (excludes door handles)

MISCELLANEOUS COMPONENTS

Speedometer casing and shaft
Driving gear
Accelerator linkage
Front and rear door latch assembly
Front seat track
Convertible lift mechanism
Electric clock
Temperature gauge
Oil pressure gauge
Charge and voltage gauges

FORD ESP TOTAL

FRONT SUSPENSION

MacPherson struts (front or rear)
Upper and lower control arms
Upper and lower ball joints
Tie rods
King pins and bushings
Spindle and spindle supports
Linkage and bushings
Electronic air suspension (selected components)
Load leveler suspension system
Stabilizer bar
Control arm shafts and bushings
Front and rear springs

FRONT-WHEEL DRIVE

Final drive housing and internal parts
Universal and constant velocity joints
Front wheel bearings
Drive shaft
Axle shafts
Seals and gaskets
Locking rings and automatic front locking hubs (four-wheel-drive vehicles)
Rear axle hub bearings
Rear wheel bearings

AIR CONDITIONING

Accumulator
Compressor
Compressor seals
Condenser
Evaporator
Clutch and clutch bearing
Field coil
Pulley
Automatic temperature control

REAR-WHEEL DRIVE

Drive axle housing and internal parts
Universal and constant velocity joints
Front wheel bearings
Rear wheel bearings
Axle shafts
Seals and gaskets
Drive shaft
Retainers

TRANSMISSION

Transmission case
All internal parts
Kickdown linkage
Torque converter
Seals and gaskets
Transmission linkage
Transfer case
Transmission vacuum module
Transmission mounts
Release hubs and bearings

ELECTRICAL

Alternator
Starter motor
Electronic ignition module
Voltage regulator
Manually operated switches
Radio and speakers
Wiring (excluding spark plug wires)
Wiring harnesses
Wiper motors
Radiator fan
Radiator fan relay
Radiator fan clutch and motor
Heated backglass (electrical only—not glass damage or breakage)
Insta-Clear® windshield (electrical only—not glass damage or breakage)
Heater blower motor
Heater core assembly
Heater control cables
Instrument panel registers and air ducts
