

"It's a plan that keeps
fleets on the road,
not in the shop."

Shelby Reed — President,

Less downtime, more dollars. That's the promise of Ford Protect.®

Ford Pro™ helps keep fleets working harder, smarter, longer. Ford Protect, the only Ford-backed Extended Service Plan, ensures quick repairs, OEM parts, custom contracts. This powerful duo minimizes operational complexities for fleet clients, helping boost their bottom line and cementing their trust. Trust that translates into revenue from selling essential productivity solutions and a reputation for fleet servicing. All of which keeps success on the road.

Ford Protect offers more than you expect. Contact your Area Sales Manager to experience the difference.
